ABOUT WYOMING YOUTH SERVICES...

Formed in 1981, Wyoming Youth Services is a non-profit, social services agency that represents a unique partnership between the City of Wyoming, Wyoming Board of Education, Hamilton County and State of Ohio agencies, Wyoming organizations and dedicated members of our community. Our mission is **to strengthen our community by empowering families, connecting them to resources, and engaging in outreach to address the challenges facing our youth.**

We have exciting news to report! In light of past successes, Wyoming Youth Services (WYS) is pleased to announce a change in focus for the organization and the community it has so faithfully served.

WYS has done an incredible job fulfilling its mission during the last 35 years, partnering with the schools, City, and community to identify and address formerly unmet and unrecognized needs in the School and City. Specifically, since forming in 1982, WYS fulfilled its mission of promoting **volunteerism** through its counseling programs at all levels of the school system, and **prevention** with innumerable outreach programs to at-risk youth throughout Wyoming.

In partnership with Wyoming City Schools and the City of Wyoming, WYS is now undergoing substantial change to serve the evolving needs of the community. WYS is transitioning to serve as the primary advocate for the City's youth as a liaison between families and resources available in Wyoming and the wider community. Effective with the 2016-2017 school year, WYS will act as connector to the community to navigate the needs of youth and families, rather than providing programs and services directly.

Wyoming Youth Services is supervised by a Board of Trustees composed of Wyoming residents, the City Manager, the Chief of Police and a Wyoming Board of Education/Wyoming City Schools representative. Wyoming Youth Services serves as the primary advocate for the City's youth as a liaison between families and resources available in Wyoming and the wider community.

Funding is provided through generous donations by Wyoming residents to our Annual Appeal Campaign and support of our annual fundraising events, the City of Wyoming, the Wyoming Board of Education, the Hamilton County Mental Health & Recovery Services Board, the Wyoming Parent School Association (PSA), the Junior Woman's Club of Wyoming, the Wyoming School Foundation, and other community and faith-based organizations.

Wyoming Youth Services events are widely attended by members of the community, and our sponsors benefit by raising their profile in Wyoming, a community with attractive demographics:
